

## Brandy de Jerez

Our most famous Solera Reserva Brandy owes its name to the year its Solera was created. It is obtained through the traditional Criaderas and Solera system, and is perfect to enjoy with desserts, coffees and after dinner.

Size: 70cl

Mahogany color, transparent and bright.

Very complex, concentrated, ethereal and with notes of hardwood.

Smooth, broad, vigorous and full-bodied.

## Our recommendation

- ◆ **Best enjoyed:** perfect to enjoy at after-dinner on its own, with ice, or to accompany coffee.
- ◆ **Serving temperature:** cold, between 10-15°C.
- ◆ **Recommended conservation:** dry place and at room temperature.
- ◆ **Pairing:** ideal to drink with desserts not too sweet, with strong or spicy flavors and with dried fruits.

**Terry brings together the ideal qualities to be the perfect accompaniment for your mornings, after-dinner and evenings.**

It gives your coffee that **sweet** sparkle.

It enhances its taste, more **intense**.

It turns a routine moment into something totally **unique**.
