

Spirit drink

Our most iconic spirit and **#1 best-selling in Spain** within its category. It ages in oak casks previously seasoned with Sherry wines through the traditional Criaderas and Solera system, typical of the Marco de Jerez region.

Size: 1L

Luminous bright amber color with acrid tones.

Very delicate aroma, ethereal, pleasant, with vanilla nuances from the wood that contained it. Also, fruity and bitter almond notes.

Smooth, warm, with notes of raisins, grapes and oak. Complex, persistent and long in the aftertaste.
